

The Nurture Commission reorganized in January. Emily Hoffman (chair), Adele Madera, Missy Plows welcomed new members Mary Lou Berkebile and Bill Creager to their commission.

Hanging of the Greens was held during the Sunday school hour and each class participated in morning worship with the theme of "Sweet Christmas". Feedback from this change was very positive.

Thank you to all of those who helped to plan and participate in the Christmas program.

Thank you to Chrissy Adamczyk for planning the children's Easter program. Thank you to all the parents and children who help to make these events such a success. Thank you to Wanda and Owen Custer, as always, for setting up the Easter flowers.

Sunday, March 25 a Camp Harmony representative shared with the congregation, children & youth about upcoming opportunities and news at Camp Harmony.

Respectfully Submitted,

Emily Hoffman

*Nurture Commission Chairperson*
